3.4 - Extension Activities

3.4.3 Number of extension and outreach programs conducted by the institution through organized forums including NSS/NCC/UBA with involvement of community during the last five years

Our institution conducts extension and community outreach activities through the NSS (National Service Scheme), UBA (Unnat Bharat Abhiyan) unit, and the Centre for Studies of Tribal Development, with support from IQAC, various departments, and local communities. These entities organize and support numerous programs and activities in collaboration with neighborhood communities.

A National Level Seminar on "Santals on the Margin: Challenges and Opportunities" was held on March 23-24, 2017, at our college. The seminar was organized by the Department of Santali, Government General Degree College (GGDC) Salboni, and funded by the Department of Higher Education, Government of West Bengal. Many experts from tribal communities were invited, leading to engaging and insightful discussions. Following this seminar, Mr. Aampa Kumar Hembrom, Head of the Department of Santali at GGDC Salboni, expressed a strong interest in working for his tribal community under the college's banner. However, due to a lack of funding, the college could not arrange any subsequent programs for the community. Consequently, Mr. Aampa Kumar Hembrom was appointed as the head of the Extension and Community Outreach Programme. Mr. Hembrom has also served as the Programme Officer for the National Service Scheme unit of GGDC Salboni from 2015 to 2019.

Mr. Hembrom has visited many tribal villages and attended discussion panels and Midun (conferences of the Santal community). He has organized numerous programs with financial and other support from the Majhi Pargana System, the traditional self-governance system of the Santal community.

At the village level, the traditional social system of the Santal community is known as Majhi Morehor, or Majhi System (Majhi Ari). The village head is called Majhi Baba, with subordinates including Paranik, Godet, Naikebaba, and Jogmajhi. The Paranik acts as the

Officer-in-Charge
Govt. General Degree College Salboni

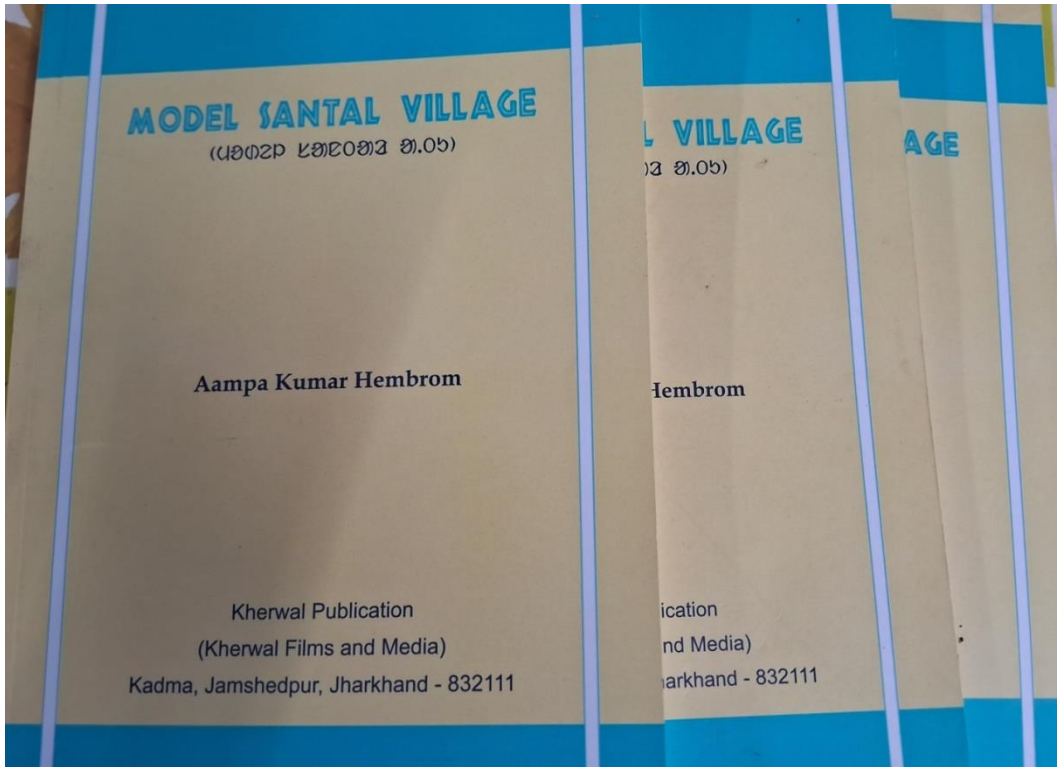

deputy to the Majhi Baba, while the Jogmajhi serves as a pathfinder and guide for the village youth, monitoring their activities closely. The village messenger is known as Godet, and the priest is called Naike.

At the Anchal/Panchayat to Central level (Disom) of the Majhi Pargana System, there are various Parganas and their subordinates. The geographical areas of these Parganas (Pir Pargana/Half Pargana, Torof Pargana/Muluk/Jila Pargana, Ponot Pargana, Desh Pargana, Ghat Pargana, etc.) do not correspond directly to government administrative levels (Panchayat, Block, District, State, and Central). The forum of the Majhi Pargana System is known as Majhi Pargana Mahal, and in some areas/districts, it is referred to as Majhi Pargana Mahal-Dhar Disom, East/West Singhbhum Majhi Pargana Mahal, Bharat Jakat Majhi Pargana Mahal, etc. These Majhi Parganas are key organizers and supporters of all our community outreach programs.

Since 2017, Mr. Hembrom has been working as a resource person and organizer with the help of the Majhi Pargana System. During the COVID-19 pandemic in March 2020, when the world was under lockdown, Mr. Hembrom wrote a book titled "Model Santal Village," which was published in 2021 for community development.

His dedication and efficiency led to the establishment of a dedicated centre for tribal development-related activities, the **Centre for Studies of Tribal Development**, in 2022. After the establishment of the centre, Mr. Hembrom was appointed as the Centre In-Charge. He is also the Coordinator for the Unnat Bharat Abhiyan unit, and a member of the Environmental Studies Sub-committee and the Career Counseling and Placement Sub-committee at this college.

Mr. Hembrom sensitized himself to rural development-related activities at the National Institute of Rural Development and Panchayati Raj, Rajendranagar, Hyderabad, Telangana. Since this training, his work has accelerated. Mr. Hembrom has visited government officials and shared stages with officers in awareness campaigns for village development-related activities and addressing community problems.
