Students, we are pleased to inform you that **Ultimate Energy Resource Private Limited (UERPL)** is organizing an awareness program in collaboration with our college under the **SANKALP** project of the Ministry of Skill Development and Entrepreneurship (MSDE). The program aims to provide skill development training and placement opportunities for underprivileged youth.

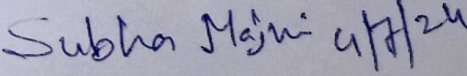

The awareness program will take place on **9th July, 2024 Tuesday from 12:00 PM to 1:30 PM at FF-02.**

The enrollment criteria for the SANKALP project include a minimum qualification of graduation, an age limit of 18-35 years, and a willingness to relocate within or outside West Bengal for job opportunities. This program offers free training and placement with hostel facilities, aiming to improve the financial stability of educated unemployed and backward unemployed youth.

We highly encourage all students, especially those who have **recently graduated or are about to graduate**, to attend this program. This is a great opportunity to enhance your skills and secure a sustainable livelihood. Please spread the word and join us for this informative session.
