Students' Feedback Analysis Report on Teaching, Campus and Infrastructure

Session: 2022-2023

A Report

Students' feedback on teaching, Campus and Infrastructure for the academic session 2022-2023 were collected in offline mode and analyzed. Total 158 no. of students were responded in the survey. The survey conducted based on 21 questions. About 80% of the students' agreed that the teaching, learning and evaluation process is very good in the College. Students' are also agree with eco-friendly campus but not so much satisfactory with the proper waste management system in the College. Regarding infrastructure, such as library, laboratory, play ground, availability of common room etc, most of the students' express their satisfaction where as facilities like computers, ICT enabled room, internet are not good enough as evident from the analysis report. Questionnaires related to carrier counseling, NSS activities, extension activities students' express their satisfaction. The grievance redressal system is transparent and excellent as evident from the report. Students' are strongly agreed with the good administrative support in the College. The feedback analysis was placed in IQAC committee meeting dated 22.09.2023 for discussion.
